LB 395

Senator Wesely had said. We had rather intricate negotiations between Senator Fowler, Senator Wesely, myself and Senator Cullan with local officials, and it is part of our agreement that Section 2 be dropped, at least with regard to the specification of primary class cities. If Senator Venditte wishes to substitute the language "metropolitan class cities", and strike the phrase "primary class cities", I will not object, but we need to draw, I believe, that language out of the bill because of the arrangements that have been made with the Lincoln city council and the Mayor. So I would support Senator Wesely's motion at this point.

SPEAKER MARVEL: The motion is the advancement of 395 to E & R for Review. Senator Wesely's amendment and then the advancement. All those in favor of Wesely's...

SENATOR WESELY: Senator Marvel...

SPEAKER MARVEL: Yes.

SENATOR WESELY: In keeping with the comments by Senator Landis, I'd like to ask unanimous consent to withdraw my amendment, and I'd like to move Senator Venditte's amendment.

SENATOR VENDITTE: I will not ask for any more time, Mr. Speaker, maybe just that the Clerk would read my amendment in and let us vote on it up or down, and then with the bill.

SPEAKER MARVEL: We've got to go according to procedure, and the procedure is that Senator Wesely has asked unanimous consent to withdraw his amendment. Is there... do I hear any objection? If not, so ordered. Now read the...are we ready for the Venditte amendment to be read?

SENATOR VENDITTE: It would just include cities of the metropolitan class, Mr. Clerk, in Section 2 of the bill.

CLERK: Right.

SENATOR VENDITTE: Strike "primary" and insert...

CLERK: Insert in Section two "cities of the metropolitan class" and strike reference to primary class city?

SENATOR VENDITTE: That is correct, Mr. Clerk.
